

URCHFONTS WI

The WI plays a unique role in providing women with educational opportunities and the chance to build new skills, to take part in a wide variety of activities and to campaign on issues that matter to us and our communities.

Why not join the WI and challenge yourself to really discover what makes you the person you are? Every member can contribute ideas to the annual programme of speakers, activities and events. We hold monthly meetings and also get involved in various events at regional and national level.

We generally meet on the second Tuesday of each month, in Urchfont Village Hall. Meetings start at 7.30pm with the speaker for the evening, followed by a break for refreshments and then the business of the meeting which we try and keep as brief as possible! Our current programme is as follows:
